Part of being comfortable in a new parish is being able to find your way around our buildings, knowing where to park, where the toilets are, where to find information. We hope this will help you get to know us at Holy Trinity.

Parking

There are seven spaces in the car park, entry from Montrose Street, all facing the fence. Exit is front-first only.

On the street during the week, be mindful of the time restrictions in certain areas.

Entry to **church** is through the double glass doors from the Union Road drive or the single glass door from the courtyard and car park. There is internal access to all our facilities.

Disabled access to the church is via the same doors and via ramp access in the courtyard to the Parish Centre from the church level. Drop-off and pick up from the drive concourse in Union Road, and pick up from Trinity Hall level is from the Vicarage driveway at 177 Union Road (through double glass doors from Trinity Hall).

During the week use the green door at the top of the stairs in the courtyard gives access for the activities of community groups using the Parish Centre.
